Financial Aid Authorization

Dear Parent(s):

The Department of Education's rules regulate how the University may apply financial aid to your student's account. A student's aid may pay **allowable charges only**. These are limited to current tuition, mandatory fees and University contracted room and board charges. By signing the authorization form below you are stating that you wish for your financial aid to be applied to **ALL** of the student's charges, if you ever apply for a parent PLUS loan. These charges may include books, insurance, fines, etc.

Parent PLUS loan borrowers must sign this form to allow their student to use any excess funds credited to their student's account for indirect costs, such as books. If this authorization is not signed by the parent who has applied or will apply in the future, for a federal PLUS loan the student may not charge books against any excess pending financial aid.

If your student has signed you up for Parent/Guardian Webadvisor, you may e-sign this form via Parent & Guardian Webadvisor under the Student Accounts Banner titled *Financial Aid Authorization.*

You are not required to sign this authorization form and if you do sign it you may cancel it at any time. The Secretary of Education considers a signed authorization to remain in effect for future years unless you notify us in writing to cancel your authorization.

I authorize Coastal Carolina University to apply my financial aid to cover payment of current, future, or past due tuition, room and board, fees, and other charges, such as books, insurance and fines. I understand that any charges I incur after my financial aid is distributed to me are my responsibility to pay.
