Umpqua Community College Purchasing Process

Approval is required prior to placing an order

Unauthorized purchases may result in a personal obligation for the individual making the commitment

For new vendors, obtain W-9 and forward to Purchasing

	Open Purchase Order	Regular Purchase Order	Direct Pay	Credit Card Purchases
Intended Use	for recurring monthly, or quarterly charges; establishes encumbrance against budget ex. Utility bills, rent, recurring supplies; contractual agreements with vendor requiring regular payments	non-recurring vendors, suppliers or service providers; provides pre-approval prior to placing an order ex. Department needs to order a chair for an office	employee reimbursements, vendor payments based on contractual arrangement that were approved by the President or CFO	Travel arrangements (after approval is obtained); supplies and incidentals up to departmental approval limit. (Not to be used for recurring expenses)
Things to consider	Items that are **$10,000 - $150,000** require 3 written quotations. Submit documented quotes to Purchasing office Items greater than **$150,000** require formal competitive bidding (contact Purchasing)		Are all approvals obtained? Did contract go through CFO or President's approval? If Yes,	Not allowed for **equipment purchases**[1] or payment for services; not intended for travel-related meals All out of district travel must be approved.
Process description	1. Estimate annual expense based on historical pattern, contractual obligation	1. Department creates a PO based on a quote or estimate from vendor	1. Forward Invoice with **Budget Approver's** signature and "Ok to pay" to AP for processing. Indicate Index and account for expenditure. Include copy of contract if applicable.	1. Place an order. By the last day of the month, submit credit card purchase summary form with original itemized receipts and copy of the monthly credit card statement for processing to AP. Obtain approval signatures.
	2. Contact Purchasing Manager with the request to open purchase order	2. PO goes through approval chain in Banner System		
	3. Purchasing Manager establishes a PO	3. Once PO is approved by all approvers, department places an order with vendor (Provide PO # to vendor to appear on invoice)		
	4. Open PO goes through approval chain once			
	5. Approval is obtained through Banner system			
	6. Department places an order			

7. Once the invoice is received by department: verify amount, (inspect items if dealing with supplies, send packing slip to purchasing for electronic receiving), sign with "Ok to pay", reference PO #(if not on the invoice) and forward to A/P for payment. For final invoice, note "Final" so that AP can liquidate any remainder of the PO.
Note: Departmental secretary signature with "Ok to pay" Indicates that items were inspected, all services were received and any discrepancies or damage had been resolved.

Note 1: Equipment has a useful life of 2 or more years.
Ex, computers, fax machines, copiers, printers, etc.
