Alumni Program

Yeshiva University is happy to offer its graduates the opportunity to take additional courses on either a credit or non-credit basis.

FOR CREDIT:

If you wish to take courses for credit you may register after the completion of the registration period for degree students. The courses must be open. You must meet all course requirements as stipulated by the instructor such as attendance, examinations and term papers. Your performance (grades and credit) will be recorded as your permanent record in the same manner as courses taken prior to graduation.

You will be charged a $25 registration fee and a per credit tuition charge for these courses.

WITHOUT CREDIT:

If you do not need credit you may register after the completion of the registration period for degree students. The courses must be open. You must receive instructor approval and attend the course regularly and complete assignments and examinations as determined by the instructor. You will receive no credit for the courses audited and a grade of "L" will be recorded on your transcript.

The only charge is a $25 registration fee per semester and a lab fee, if applicable.
